

LMASD 2021 Summer School

Course Booklet

Session 1) June 14-June 29

Session 2) July 6-July 21

Online Course Selection opens April 5 at 5:00 p.m. & closes April 15 at 9:00 p.m.

Please do not log in early, courses will not be available until 5:00 p.m.

*Course selection is based on your child's **current** grade level and are filled on a first-come, first-serve basis.*

In-person course selection help will be available Monday, April 5th from 5:00-7:00 p.m. at the Middle School library.

Daily Schedule

- 1) 8:00-8:57
- 2) 9:00-9:57
- 3) 10:00-10:57
- 4) 11:00-11:57

Swimming Lessons July 6-21

Sign up online, one session time per child
Swim lessons are held at Sandy Beach.
Parents need to provide transportation.

Pre-Kindergarten

Daily 8:00-11:57
June 14 - July 21
LM Elementary
Fee \$15.00

<http://www.lakemills.k12.wi.us/families/summer.cfm>

Nate Grundahl, Summer School Director

Nate.Grundahl@lakemills.k12.wi.us

920.648.2358 x214

CLASS LOCATIONS

All Pre-kindergarten through grade 3 classes are held at the Lake Mills Elementary School. All grade 4 - 8 classes are held at Lake Mills Middle School. Exceptions: gymnastic (HS lower gym), bowling (Hering's Fish Bowl), soccer (HS field), golf (LM Golf Course) and middle school weight training (HS weight room). Transportation will be provided between school and the above locations.

PRE-KINDERGARTEN PROGRAM

We would like to invite you to participate in an enrichment summer school program for any child who will be eligible to attend public school (5 years old by September 1) kindergarten in the fall of 2021. As educators, we look upon this program as a positive means to assist young children making the transition to the kindergarten setting.

Daily Pre-Kindergarten schedule: 8:00-11:57 a.m., running through both sessions. Class Fee: \$15.00

DAILY SCHEDULE

Although children who enroll in the summer program are highly encouraged to take both sessions and all 4 class periods, a child may participate in less depending on parent wishes. Class periods: 1) 8:00-8:57 2) 9:00-9:57 3) 10:00-10:57 4) 11:00-11:57

FEES

NEW! You will now receive your student's summer school fee statements by email, which you will receive the week of April 19. **Cash or check payments must include the fee statement, which ensures timely payment!** All fees are due by May 4, and for your convenience can be turned in at any office in the district or mailed to: Lake Mills High School, 615 Catlin Dr.

*****FEE STATEMENTS MUST BE INCLUDED WITH PAYMENT*****

ONLINE COURSE SELECTION

If your student is currently enrolled in the LMASD, you will use your **parent Family Access** login and password to sign up for courses. Using a student login and password will not grant access to schedule summer school courses.

PRE-REGISTRATION

If your student is not currently enrolled in the LMASD, you will need to pre-register. The pre-registration forms are located on our website at <http://www.lakemills.k12.wi.us/families/SS-Registration-Materials.cfm> The completed paperwork is due by **March 26**, to the District Office. This is a firm due date; late paperwork may result in receiving your login and password late. Parents will receive an email containing login and password information one to two days prior to the opening of online course selection.

TRANSPORTATION

Transportation of students to and from school will be a parent responsibility, including swim lessons.

STUDENT SCHEDULES

Student course schedules will be sent home the last week of school and available online in family access.

COURSE DROP/ADD & REFUND POLICY

Course changes will only be allowed during the first 2 days of each session; course fees will only be refunded within the 2 day time frame.

TUITION for NON-DISTRICT STUDENTS

Any student seeking entrance into the Lake Mills Area School District summer school program must reside within the established boundaries of the district. The child's parent or legal guardian must reside within the Lake Mills Area School District boundaries. Non-resident students will be charged tuition in accordance with state tuition laws (121.77). Non-resident students who have applied to the Board of Education by April 2021 for the Public School Open Enrollment Program, and have been approved to enroll for the 2021-22 school year, may have tuition waived for summer school.

2021 Summer School Non-Resident Tuition: \$115.00 per class that is 1 session in length

\$235.00 per class that is two periods in length/per session

\$235.00 per class that runs both session 1 and 2

\$360.00 Camp Invention-STEM course

SWIM LESSONS

Swim lessons will be held July 6 - July 21 at Sandy Beach; parents must provide transportation. Families need to sign up for swimming lessons during online course selection. Please remember one swim session per child. Some testing will be done on the first day of swim lessons to further enable our instructors to properly place the student.

2021 Swim Tuition: Residents - Free Non-Residents - \$80.00 per student

Level I: Bubble Guppies ~ Introduction to Water Skills

For students going into Kindergarten or taking swimming lessons for the first time.

Level II: Sea Otters ~ Primary Skills

Students must have passed Level 1 to take this class.

Level III: Dolphins ~ Stroke Readiness

Students must have passed Level 2 to take this class.

Level IV: Stingrays ~ Stroke Development

Students must have passed Level 3 to take this class.

Level V: Sharks ~ Stroke Refinement

Students must have passed Level 4 to take this class.

Session Times

1)12:45-1:25 2)1:30-2:10 3)2:15-2:55 4)3:00-3:40 5)3:45-4:25 6)4:30-5:10

Lesson Cancellation: If the weather is unsuitable for swim lessons, the notification will be posted on our summer school website <http://www.lakemills.k12.wi.us/families/summer.cfm> and announced to the students during morning classes. Lessons will be cancelled for that day.

DOUBLE SESSION*

~Pre K June 14 - July 21 Daily: 8:00-11:57a.m.

Course Name	Grades	Fee	Course Description
ADVENTURES IN NATURE	K-1 2-3	\$0.00	Spend some time in the great outdoors this summer! You'll enjoy nature walks, art and craft projects using items from nature, and much more. You will notice and hear things you've never observed before. It's going to be "back to nature" in this class!
ALL SPORTS CAMP	K-1	\$0.00	SCORE! Let's play ball! Learning team work and having fun are the focus in this course. We will be trying out all different kinds of sports from soccer and football to basketball and track. Children will have a chance to develop confidence, team work skills, and knowledge of a wide variety of sports. These sports will take place outside, weather permitting. Please bring something to drink as well as a snack.
ANIMALS, ANIMALS, ANIMALS	K-1	\$0.00	If you LOVE being around animals and want to learn more about them, this class is for you! Join us for animal games, art projects, stories and activities. Learn and practice animal safety and care, and even BE an animal.
ARCTIC BLAST	K-1 2-3	\$5.00	Do you like eating frozen foods? Do you like ice cream? Do you like Popsicles? Have you tried Shaved Ice? This is the class for you. We will discover interesting facts about foods that are best when they are frozen, read books about foods, make ice cream, popsicles, shaved ice and more!
BALLS OF FIRE	2-3	\$0.00	Students will be taught variety of sports involving balls. Team activities also will help improve self-confidence and sportsmanship.
BASKETBALL	K-1 2-3	\$0.00	Fundamentals of basketball, basic rules, teamwork, fair play, sportsmanship, eye-hand coordination, winning and losing, large and small motor skills.
BATTER UP	K-1 2-3	\$0.00	Students will learn the fundamentals of baseball. We will practice hitting, catching, throwing and play games appropriate for their age and skill level. Please bring a glove and batting helmet!
BIKING	1-2 2-3	\$0.00	Biking in Lake Mills; adventures and much more! When you sign-up for biking you will see Lake Mills like you've never seen it before. Each day will be a new adventure riding our bicycles through Lake Mills, learning bike safety, practicing bike skills and more. There will be an opportunity to leave your bike in a locked room through the week, if needed. Students must be able to ride a two-wheel bike. Bicycle and helmet required.
BOOM! BAM! WHOA! GRAPHIC NOVELS & COMIC CARTOONS	2-3	\$0.00	Do you love action packed stories and adventure tales? Then this class is for you! Not only will class time be spent reading graphic novels and comics, but we will be studying the features of these high interest texts. Get your creative minds ready for reading, writing, designing and illustrating!
BOWLING	K-1 2-3	\$15.00	"Strike!", "Turkey!", "Spare!" Come learn more bowling lingo. Students will receive instruction on bowling techniques, etiquette, how scoring works and get plenty of practice through a variety of games. Students will be transported to Hering's Fish Bowl in Lake Mills for daily bowling practice.
BRAINY BUILDERS	K-1 2-3	\$0.00	Do you like to work with your hands? Brainy Builders is a course that will stretch your imagination and creativity using various building sets including: Erector Sets, Zoobmobiles, K'nex, marble runs, Capsela, snap circuits and more! Build anything you can imagine!
NEW! CAMP INVENTION	K-5	\$45.00	Energize your kid's creativity and confidence with our new Camp Invention® program, Recharge! When this nationally acclaimed program comes to Lake Mills Middle School, campers will collaborate with friends in hands-on, open-ended STEM challenges. They'll take apart a microphone to explore its inner workings, build and test a device to launch rubber ducks, and design morphing vehicles for the Super Road Rally! Each activity is designed to inspire curiosity, spark imaginations and give your young innovator the best summer ever. June 14-29, 12:30-3:30p.m. at the Lake Mills Middle School, transportation provided from Elementary school.
CRAFTS AND HOBBIES	K-1 2-3	\$3.00	Get "crafty" by using your hands and your imagination in the class. Students will have the opportunity to make a variety of crafts and maybe pick up a new hobby or two. Come join the fun!
DINOSAUR DIG	K-1	\$0.00	Join us for an exciting look at dinosaurs! We'll learn about dinosaurs, their names, when they lived and dinosaur relatives that are still alive today! Come; help create "recycled" dinosaurs. Be part of the team that is going on a dinosaur dig ... see what we can unearth!
DRAW DOODLE DESIGN	K-1 2-3	\$0.00	Do you love to draw? Do you enjoy doodling? Do you love to design? Then this is the class for you. You will have the opportunity to learn new skills. You will have the ability to use your imagination and creativity to be an awesome artist.
EVERYTHING DISNEY	K-1	\$0.00	If you love Disney, this is the class for you! Students will learn about the life/history of Walt Disney, theme park information, including planning a trip, using fast passes, lodgings, and much more.

FLAG FOOTBALL	K-1 2-3	\$0.00	Join us this summer and play this popular sport! Games activity will be offered along with other running games and activities. Students signing up for this course will learn some fundamentals of this sport while having lots of opportunities to practice their skills. For boys and girls!
GAMES, GAMES, GAMES	K-1 2-3	\$0.00	Come and enjoy playing games with old and new friends. We will have a mixture of indoor and outdoor games. Some examples would be: card games such as Uno, Old Maid, Go Fish; board games such as Chutes 'n Ladders, Candy Land, Racko, Pictionary, Checkers, Memory; outdoor games of kickball, relay races and others. You may also be able to bring in your own favorite games!
GARDENING	1-2 2-3	\$0.00	Wouldn't it be neat to be able to eat food grown right here at Lake Mills Elementary School? Do you have an interest in being outdoors? Maybe taking care of our school and the environment? This could be the class for you! In this class we will plant, harvest, and give life to our very own school garden. You will also learn all of the different reasons we need plants and crops to stay healthy.
GYMNASTICS	K-1 2-3	\$0.00	This course is designed to introduce and develop tumbling and gymnastic apparatus skills. The beam, vault, floor, uneven bars and parallel bars are the various stations that students rotate through each day.
HANDS IN CLAY Double Session Class	K-1 2-3	\$5.00	This is an exploratory class in clay where students will use a variety of methods to create a number of fun projects including sculpture, pots, masks, and jewelry. The first session is spent creating your art, while the second session is decorating your art.
JR SPEED & AGILITY	K-1 2-3	\$0.00	This course is designed to familiarize students with basic methods to improve coordination, speed, agility and power. We will work with jump ropes, agility ladders, plyometric boxes, cone drills and the Dot Drill. The goal is for students to improve their running form and gain confidence in their locomotor movements.
KIDS IN THE KITCHEN	K-1 2-3	\$10.00	Have you ever wanted to be a chef on the popular kids food shows on television? Do you love to be creative with your food? Can you turn your pancakes into an animal? Learn to make the foods that kids love to eat like Mac'n Cheese, Pigs in a Blanket, Animal Pancakes and more.
LEGO MANIA	K-1 2-3	\$0.00	Do you love to be creative? Do you love Legos? Then Lego Mania is the class for you! This class will involve using your imagination. We will create new masterpieces each week based on characters, buildings, and places around our world. We will also explore the Lego.com web site and create Lego designs online. This is a class you won't want to miss!
LET'S GET ACTIVE	2-3	\$0.00	Do you like being active? Maybe you like to stay healthy while doing fun activities, then this could be the class for you! Some of the activities include: Zumba, yoga, running, sports like kickball, soccer and many more! We will also learn how to make healthy snacks to fuel our bodies to keep us active throughout the day.
MAGIC	K-1 2-3	\$0.00	Come join us for some mystery and magical fun! We will learn to speak through a puppet, learn a few magic tricks, juggle handkerchiefs, and create magic-themed crafts projects. We will use our imaginations and build our confidence by sharing our magic tricks with each other. Get ready for some magic fun!
MAKER SPACE	K-1 2-3	\$0.00	How can you reuse "garbage" to create new, fun, unique crafts? Come to this class to create some new projects from old items!
NEW! PRIME MATH, DYNA MATH & MATH EXPLORERS	K, 1, 2, 3	\$0.00	Lean into our summer math program for our scholars. This class will providing multiple opportunities for scholars to problem-solve and engage in fun interactive activities to help develop skills compute with accuracy and efficiency, the number sense they need to reason and think critically, and the ability to apply their skills and reasoning to solve problems. DOUBLE SESSION CLASSES
MATH MANIACS	2-3	\$0.00	This course is designed to challenge those students who have mastered math facts and other grade level skills. Look at new ways to apply math skills to solve problems, play games, and create projects.

MYSTERIES & INVENTION	K-1 2-3	\$0.00	This course will be a combination of Mysteries and Inventions. For Mysteries, the children will take on the roles of “super sleuths.” They will learn to apply step by step thinking to sort and combine clues. For Inventions, the children will have fun learning about inventors and inventions. They will learn how to turn their innovative, creative ideas and dreams into their own inventions. Both sections will include various exciting activities, games, and experiments. The course will enhance children’s creativity.
OUTDOOR BALL SPORTS	K-1 2-3	\$0.00	Have fun playing and learning more about all outdoor ball sports. Students will be able to play kickball, basketball, and 4-square to name a few plus many more!
OUTDOOR FIELD GAMES	K-1 2-3	\$0.00	Have fun playing and learning more about various field games in a non-competitive setting! Students will play a game each day including softball, bocce, croquet, disc golf, frisbee, and kickball to name a few! Students will develop positive peer communication, interpersonal skills, social skills, and simply ways to spend summer outside! This class will offer students opportunities to participate in and contribute to team-building activities.
PETE THE CAT, LET'S READ ABOUT THAT	K-1	\$0.00	Put on your White Shoes and Magic Sunglasses! We are going to go on some reading adventures with Pete the Cat! Learn the fun songs, and do art activities to be like Pete!
PRE KINDERGARTEN	4K	\$15.00	An enrichment summer school program for any child who will be eligible to attend public school kindergarten in the fall of 2021. As educators, we look upon this program as a positive means to assist young children making the transition to the kindergarten setting. Daily from 8:00-11:57 a.m.
PUZZLES	K-1	\$0.00	Do you love all types of puzzles? Students will use both fine motor and reasoning skills with a variety of jigsaw puzzles. Students will even be able to create and take home their own jigsaw puzzle.
NEW! READING CLASSES: ABCs, Building Blocks, Word Worms & Page Turners	K, 1, 2, 3	\$0.00	This class is designed to improve reading comprehension and reading fluency. Responding to reading through writing will also be included. Review of some class work or additional reading may be required at home. DOUBLE SESSION CLASSES
SNACK ATTACK	2-3	\$5.00	Learn . . . Make. . .EAT! Begin to learn your way around the kitchen while making treats that are easy, fun and yummy. We won't bake, but we'll mix, measure, fry, stir, decorate, and microwave. You'll want to dazzle your family by remaking these kid-friendly recipes at home.
SNACKALICIOUS	K-1	\$5.00	Explore the food pyramid! What's a good snack choice? What's not? Why not? This course is designed to help young people learn and establish healthy eating habits. Healthy snacks daily! No “cooking” involved. Walking field trips to local establishments may be included.
SPORTS OF ALL SORTS	K-1 2-3	\$0.00	Do you like sports like kickball, football, four square, jump rope, obstacle courses? We will spend this class playing as many different sports as we can think of.
SUMMER TIME GAMES	2-3	\$0.00	This outdoor class is full of fun activities. We play outdoor games, blow bubbles, relay races and more. This class will teach students the skills needed to engage in different activities, physical and socially. Socially we will learn about playing fair, picking teams, solving problems. Activities include, but not limited to: Kickball, Whiffle ball, Capture the Flag, Bocce Ball, Ladder Golf, Washer Toss.
THEATER Double Session Class	1-3	\$0.00	Students will learn basic acting and staging techniques along with musical selections. A performance will be held in the high school auditorium Tuesday, July 20 starting at 7:00 p.m. <u>Daily attendance and performance attendance is required for this course.</u>
WRITERS LAB	K-1 2-3	\$0.00	Take your imagination anywhere as students adventure through creating stories, poems, journals, etc. Great way to keep writing throughout the summer.

WEIGHT TRAINING SESSION June 7 - July 29

Session Break July 5 - July 9

Location: High School Weight Room

Period 1 6:30-8:00	Grade	Period 2 8:00-9:30	Grade	Period 3 9:30-11:00	Grade	Period 4 11:00-12:30	Grade
Weight Lifting-HS Girls	8-11	Weight Lifting-MS Girls	6-7	Weight Lifting-MS Boys	6-7	Weight Lifting-HS Boys	8-11

Course Name	Grade	Fee	Course Description
ADV GYMNASTICS Double Period Class	4-8	\$0.00	Calling all experienced gymnasts! This class is for gymnasts who have had a least one summer in gymnastics or club experience. You will have an opportunity to practice at your own level and develop new skills.
BABYSITTING Double Session Class.	5-8	\$15.00	This class will explore many facets of taking care of babies and children. Included will be topics such as feeding, diapering, playtime activities, basic first-aid, handling emergency situations, and providing a safe and happy environment for children. The class will culminate with making babysitting kits to take on the job. Students will receive a certificate showing completion of the course and business cards to share.
BAKING 101	4-6 6-8	\$10.00	Do you love spending hours in the kitchen, baking away the day? Spend this class doing just that! We will make a variety of cookies, bars, cakes, breads, and other confections. Learn the amazing science and exquisite art of baking all in a fun and relaxed environment.
BAND	4-11	\$0.00	Band lessons will be scheduled through the music department of each school. Students joining band in 6th, 7th, & 8th grade are asked to start with summer band lessons. Lesson time slots will be posted in the large music room in late May.
BASEBALL	4-8	\$0.00	This course will not only train but motivate the developing baseball player. On-field instruction will include fielding (position specific), hitting, pitching and base running. Each player will improve their arm strength through a long-toss program and band training. The players will also participate in instructional games, putting their skills into action. Please bring a baseball glove.
BASKETBALL	4-5	\$0.00	This co-ed, course is offered to teach and reinforce basic fundamentals of basketball. The primary focus will be on individual offensive and defensive skill development. Team offense and defense skills and concepts will also be taught.
BASKETBALL	6-8	\$0.00	This co-ed course is offered to teach advanced skill developed for the basketball player looking to take their game to a higher level. The primary focus will be individual offensive skill development. The class will work on competitive drills to improve ball handling, shooting and one on one moves. We will compete in every drill and game.
BEGINNING GUITAR	4-5	\$0.00	Students will learn beginning guitar techniques such as: the use of single notes, chords, and strumming. Newly learned skills will also be put to use in learning songs. This class will be offered both sessions. Students may take this for session 1, session 2 or both sessions. If you continue in to session 2 you will receive new material to learn. We do have a few guitars, but your own is the best, so you can practice what you learn at home.
BEGINNING ROCKETRY	4-8	\$15.00	Students will design and assemble a rocket kit during class. The final day of class, we will launch the rockets. Students will learn and use simple physical science and mathematics to describe acceleration and acceleration due to gravity.
BIKING Grades 6-8 covers two periods	4-5 6-8	\$0.00	Biking, biking, and more biking! Be adventurous and discover all of Lake Mills on your bikes. You'll bike to the new Lake Mills Market, Sandy Beach, Bartel's Beach, the Glacial Drumlin Bike Trail, and so much more. All the biking we will do will teach you the rules of the road and bicycle safety. You will need a bike helmet and bike every day, yes, we bike every day! You will have the opportunity to leave your bike in a locked room overnight if needed.
BOOK CLUB FANATICS	4-5 6-8	\$0.00	This course is meant to offer middle school students the opportunity to continue on in their journey as readers. Students will read several high interest young adult novels while enjoying everything summer has to offer. Students will participate in engaging book club conversations with their peers challenging themselves as readers and young thinkers. This is a great opportunity for students to interact with friends while enjoying a good book! This course will allow students to travel to various locations around Lake Mills such as the library, Rock Lake beach front, various parks, and coffee shops. Who says reading is only for the indoors? This course is guaranteed to knock your socks off!
BOWLING Double Period Class	4-8	\$30.00	"Strike!", "Turkey!", "Spare!" Come learn more bowling lingo. Students will receive instruction on bowling techniques, etiquette, how scoring works and get plenty of practice through a variety of games. Students will be transported to Hering's Fish Bowl in Lake Mills for daily bowling practice.
CAKES & BAKED GOODS Double Period Class	6-8	\$15.00	Do you want to learn how to decorate baked treats? Students will learn basic frosting and decorating techniques for cupcakes and one cake for different occasions. We will also be making other fun baked goods; such as lemon bars, cookies, & pretzels. The best part... treats at the end of each day. Please bring an apron and container to class.
COLORING CREATIONS	4-8	\$0.00	The adult coloring craze is so popular- here's a chance for young adults who love to color to have an opportunity to express themselves.

CONDITIONING FOR THE COMPETATIVE ATHLETE	4-5 6-7	\$0.00	This course is designed for both boys and girls. Students will participate in activities that include strength training, conditioning, speed and agility, and flexibility training. Activities will include: Strength Training: Core Workouts, Circuit Training, Proper techniques towards Bench Press and Squats; Conditioning Training: Hill Runs, Endurance Runs, Relay Races; Speed / Agility Training: Speed Ladders, Dot Drill, Plyometric Boxes; Flexibility Training: Static/Dynamic Stretches.
COURT SPORTS	4-8	\$0.00	This course will focus on the many games that can be played on a court: volleyball, badminton, tennis, kick ball, floor hockey, basketball, etc.
CRAFTS & HOBBIES	4-5 4-8	\$3.00	Get "crafty" by using your hands and your imagination in the class. Students will have the opportunity to make a variety of crafts and maybe pick up a new hobby or two. Come join the fun!
CUPCAKES & COOKIES Double Period Class	6-8	\$15.00	Do you want to learn how to decorate baked treats? Students will learn basic frosting and decorating techniques for cupcakes and cookies for different occasions. The best part... treats at the end of each day. Please bring an apron and container to class.
DRAW DOODLE DESIGN	4-8	\$0.00	Do you love to draw? Do you enjoy doodling? Do you love to design? Then this is the class for you. You will have the opportunity to learn new skills. You will have the ability to use your imagination and creativity to be an awesome artist.
EVERYTHING CHOCOLATE	4-5 6-8	\$10.00	Do you like chocolate? This is the class for you! We will discover interesting facts about chocolate, read books about chocolate, and make fudge, chocolate chip cookies, chocolate suckers, and much more!
FISH THE ROCK	4-5 6-8	\$0.00	Grab your rod and tackle box and head down to the lake for some cool fun on a hot summer day! For beginners and pros, boys and girls...learn some new techniques and practice the basics. Cast away! sOUBLE PERIOD CLASS
GAMES, GAMES, GAMES	5-8	\$0.00	In Games, Games, Games students will get to experience a variety of different games. Basic skills will be introduced for each game, and then we will play! Some of the outdoor games include, but are not limited to; football, soccer, kickball, Pirates of the Caribbean, etc. We will also play a variation of different indoor games every day, too. If you like to play all kinds of games, then this is the class for you!
GAMING ACADEMY	5-8	\$0.00	This course focuses on providing enrichment opportunities to students in the world of computer gaming. We will create a positive learning community that encourages creative thinking and strategies while exploring a variety of games such as MineCraft, various Sims, and many more. Bring your thinking cap!
GOLF Double Period Class	4-5 6-8	\$0.00	This course will focus on the development of beginning skills and the playing of the game of golf. Students will have the opportunity to practice at the golf course and driving range. Your own clubs are a plus, but not required. This course will take place at the golf course .
GUITAR	6-8	\$0.00	Students will learn beginning guitar techniques such as: the use of single notes, chords, and strumming. Newly learned skills will also be put to use in learning songs. This class will be offered both sessions. Students may take this for session 1, session 2 or both sessions. If you continue in to session 2 you will receive new material to learn. We do have a few guitars available, but your own is the best, so you can practice what you learn at home.
HANDS IN CLAY Double Session Class	4-5 6-8	\$10.00	This is an exploratory class in clay where students will have the opportunity to learn a variety of hand-building methods used to create sculptural and functional pieces. An introduction to wheelwork may be included.
HARRY POTTER	4-8	\$0.00	Welcome to the wonderful wizarding world of Harry Potter! This class will include reading Harry Potter books and watching one of movies. We will be making magical treats, playing Quidditch, making wizard crafts and potions and sorting which house we will be in. Muggles are welcome to join.
INTERNATIONAL COOKING	4-5	\$15.00	Travel around the world as you eat! We will make recipes from many countries as we use math, double recipes and measurement. It will be a treat for the taste buds! DOUBLE PERIOD CLASS
INTERNATIONAL COOKING 2	6-8	\$15.00	Did you enjoy International Cooking? Creating food from other cultures? This class will continue your journey around the world as you eat in more new places! We will make new recipes from many countries as we use math, double recipes and measurement. It will be a treat for the taste buds! DOUBLE PERIOD CLASS
KITCHEN MAGIC	4-5 6-8	\$5.00	Kitchen Magic will take you on an adventure, whether a beginner or an advanced cook. You will learn to make delicious breakfast, lunch and dinner foods as well as two additional units: microwave cooking and desserts. Kitchen magic will make you more organized and independent in the kitchen.
LM RUNNING CLUB	6-8	\$0.00	This class is designed for students interested in running. Students in this class will learn the basics of running, and practice training for a race. By the end of the session, students will be able to participate in a 2 mile race!

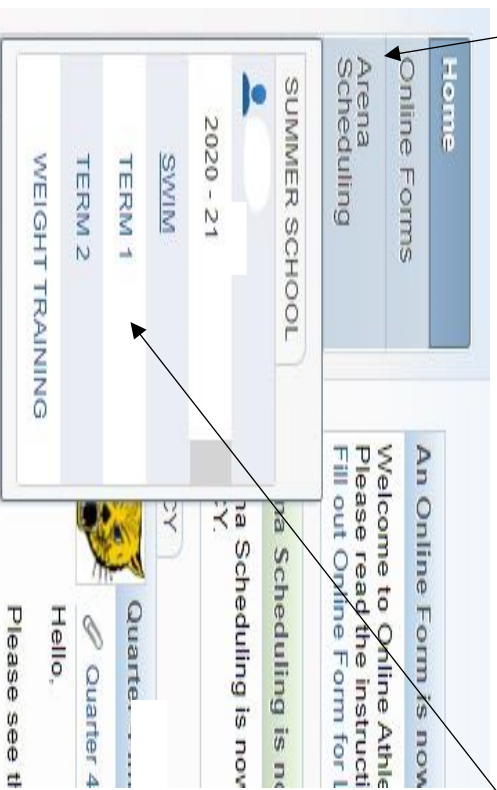

MAKER SPACE/SCRATCH	5-8	\$0.00	The “course” MakerSpace: Computer Science 1 is for students who have not experienced computer coding. In the maker space, students will follow a theme, for example storytelling or game making, and use Scratch to create a product via computer code. The computer code is chunked for easy application for the first time user.
NEW! MATH CLASSES: DYNA MATH 5-6 PRIME MATH 4	4 & 5-6	\$0.00	Lean into our summer math program for our scholars. This class will providing multiple opportunities for scholars to problem-solve and engage in fun interactive activities to help develop skills compute with accuracy and efficiency, the number sense they need to reason and think critically, and the ability to apply their skills and reasoning to solve problems. DOUBLE SESSION CLASSES
MATH HANGOUT	4-8	\$0.00	Math homework? Nope. Math quizzes? Nope. Math Tests?! Nope. Have you ever just wanted to improve in math without the stress of the grade you’re about to receive? Then this is the class for you! Students will get the opportunity through the online program ALEKS and other ways provided by the teacher, to improve on their math skills while enjoying a relaxing and comfortable environment. Math games will also be something we will do in the class! Sign up today and let’s have some fun taking your math knowledge to the next level!
MINUTE TO WIN IT	5-8	\$0.00	Everyday there will be a Minute To Win It challenge to try and master. Are you up for the challenge?
MUSIC: WRITE, PRODUCE, & RECORD	4-8	\$0.00	Students will have the opportunity to write, compose and record their own original music.
ORCHESTRA	4-11	\$0.00	Orchestra opportunities will be scheduled through the music department of each school. Students joining orchestra in 6th, 7th, and 8th grade are strongly advised to start with summer orchestra lessons. Please see Mrs. Schmidt in May to arrange for lessons and to try instruments. Lessons will be located at the high school in the multi-purpose room.
OUTDOOR FIELD GAMES	4-5 6-8	\$0.00	Have fun playing and learning more about various field games in a non-competitive setting! Students will play a game each day including softball, bocce, croquet, disc golf, frisbee, and kickball to name a few! Students will develop positive peer communication, interpersonal skills, social skills, and simply ways to spend summer outside! This class will offer students opportunities to participate in and contribute to team-building activities.
SCRAPBOOKING	4-8	\$5.00	In this creative class you will start a scrapbook for memories, and learn many new techniques to craft with paper. We will use fun accessories and decorations. You will even get to do some online scrapbooking. Come see what you can create and take home. Be sure to bring pictures for scrapbooking too.
SMART READERS	4, 5 6-7	\$0.00	This course will focus on individual reading needs in the areas of phonics, fluency, word study, and comprehension. Students will choose books, magazines, newspaper articles and short stories to read based on Lexile levels and interests. Time will be spent reading: silent, pair-share, teacher pair-share and one-on-one with small groups of students. This class will cover both sessions.
SNACK ATTACK	4-5 6-8	\$5.00	Learn . . . Make. . .EAT! Begin to learn your way around the kitchen while making treats that are easy, fun and yummy. We won’t bake, but we’ll mix, measure, fry, stir, decorate, and microwave. You’ll want to dazzle your family by remaking these kid-friendly recipes at home.
SOCCER	4-6 6-8	\$0.00	Soccer is known as the world’s sport. Students will learn and enhance the fundamentals of soccer and play games. This class is open to boys and girls that are anywhere from beginning soccer players, to advanced soccer players. Every day students will learn new skills including; correct dribbling and trapping techniques, different styles of passes and shots, as well as goalie fundamentals. Also, each day will consist of different types of soccer games. A few of the different games to be played are; World Cup, 1 vs 1 Tournaments, 3 vs 3 Tournaments, Soccer-Golf, Soccer Lightning and much more! This course will take place at the high school.
SPORTS & POP TRIVIA	4-8	\$0.00	In this class we will play many different type of Trivia games. The class will get into teams and compete against one another. We will watch some clips of sporting events and sport movies and see what we learned. There will be a challenge on what team learned the most. The class will also create their own questions for other fun games to answer. We will use games like Trivial Pursuit, Heads Up, Jeopardy and many other fun games. We will do many different types of trivia questions but main focus will be on Sports Trivia.
UKULELE	4-8	\$0.00	Students will learn how to play the ukelele including chords, strumming and learning songs. This will be offered both sessions, so students may take this for session 1, session 2 or both session 1 & 2. If you continue in session 2 and will receive new material to learn. If you have your own uke, bring it! if not, the school will provide some to share.

VOLLEYBALL	4-5 6-8	\$0.00	Bump! Set! Spike! Ace! In this class you will learn and practice fundamentals and advanced skills of volleyball.
WEARABLE ART	4-8	\$5.00	In this class we will create many crafts that girls and boys can wear some way. We will be making objects to decorate backpacks and necklaces/chokers that can be made to suit your style with washers, guitar picks or beads. We will create "fried marbles" and use the popular paracord. We'll even decorate a shirt with a unique technique! Come join the creativity. You won't want to stop making crafts!
YOUTH SHOW CHOIR double session	4-8	\$0.00	Come make music with your friends! We will have fun learning good singing habits, playing games, and performing wonderful music! Songs will include a variety of fun music. To show case all that you've learned, a performance is set for Monday, July 19th starting at 7:00 p.m. in the HS auditorium.
YOUTH THEATER double session periods 1 & 2	4-8	\$0.00	Be part of the School Summer Theater Production! Students will have an opportunity to explore all aspects of putting on a great show. We need actors, stage hands, and assistant directors! Consistent attendance is required for all acting parts. The final production will be in the evening on Monday, July 19th right after the 7:00p.m. MS show choir performance. Mark your calendar now!
GREAT OPPORTUNITY! TEACHERS AIDE	8-11	\$0.00	Would you like to help out in the classes that you enjoyed when you were younger? This is the perfect chance to see if you would like to work with children in the future. Also, this is a great volunteer experience and you may receive a letter of recommendation from Mr. Grundahl that you can use when applying for college or jobs! Being a Teacher Assistant is a stepping stone to working for the Summer School program in the future. <u>Please fill out the Volunteer Teacher Assistant Application to be considered for an opening in our Summer School Program.</u> Remember to note areas of interest on your application. Supporting children with disabilities is also an option. Applications are available in any public school office or on our summer school website.
WEIGHT TRAINING June 7 - July 29 Located at the High School in the weight room	6-11	\$0.00	School Athletes and anyone who wants to get in and stay in shape should plan to participate in weight training during the summer. Registration in the Summer School Program is required. Staff is available to create individual programs for students. This course will take place at the high school in the weight room, transportation from the middle school will be provided. <i>New opportunity for grades 6-7 to attend weight training sessions at the high school. Weight Training Break July 5 - 9</i>

Online Course Selection Directions for Skyward

Opens: April 5 at 5 p.m. Closes: April 15 at 9 p.m.

1. Login to Skyward Family Access at www.lakemills.k12.wi.us
 - Families – Skyward Family Access
2. Select Arena Scheduling on the left hand side.
3. Select the student you would like to schedule classes for by clicking on Term 1, Term 2, SWIM or Weight Training under the student's name.
 - Term 1 = Session 1 Term 2 =Session 2 Swim = Swim lessons- Weight Training = HS/MS Weight Training

You will see a list of all of the class options available based on the selected child's **current grade level**.

Schedule your child based on their current grade level.

4. Select the “*period*” drop down to sort classes by class periods and then Apply Filter. **Double Period & Both Session Classes:** Skyward will automatically schedule these classes (both terms OR double periods) if you select one of these classes. **“Both Session” classes will only appear in Term 1 for scheduling.**
5. Select **Add** to add a class – If you change your mind once you have added a class you can select **Remove** if you would like to remove the class from your schedle.

6. Continue this process until you have selected courses for all four periods. Periods 5-6-7-8-9-10 are all swim periods.
7. If you would like a quick view of what you have schedule *select view/print schedule*
8. Once you have registered for all of session 1 classes, select Arena Scheduling again and select classes for Term 2.
9. Your registration process is COMPLETE! Simply logout and you can revisit/revise your child's schedule until April 15. There is not a save or a submit button, the schedule is automatically saved.

Don't forget to sign up for swim lessons, they fill up quickly! Remember, ONE session time per child.

Schedules will be open until April 15, which means you will have the ability to change classes until that date. If a class is full, keep checking back, it might open up if another student changes their mind and drops a class. On April 15, we will turn off Arena Scheduling and schedules will be locked.

DROPPED CLASSES: In the event a class is dropped due to low enrollment, the parent/guardian will be contacted and asked to select a different class.

NEW THIS YEAR!

FEES: You will now receive your student's summer school fee statements by email, which you will receive the week of April 19. **Cash or check payments must include the fee statement, which ensures timely payment!** All summer school fees are due by May 4, and for your convenience can be turned in at any office in the district or mailed to Lake Mills High School, 615 Catlin Dr.

*****FEE STATEMENTS MUST BE INCLUDED WITH PAYMENT*****
